How will I study?

Your CLTD journey will begin with the CLTD Learning System. The learning system is a comprehensive program that combines print and online reading materials, online practice tests and interactive study tools to ensure you're prepared for the exam. Choose from three flexible study options that fit your schedule and learning style: self-study, instructor-led or corporate/group learning.

The CLTD Learning System follows a three-step program to help you apply the concepts and test your understanding and retention of the information.

1. ASSESS

- Complete the pretest to determine your current knowledge and identify areas for improvement.
- Create a SmartStudy plan using your pretest results to identify your most challenging topics and estimate study time.

2. STUDY

- Utilize convenient study options: read printed books or access online study materials via any mobile device, tablet, or computer - 24/7.
- Benefit from microlearning features in the online learning system; focus on smaller content segments for a more efficient use of available time.
- Take the chapter quizzes to test knowledge retention and receive immediate feedback, answer rationales and references to the relevant sections in the reading materials.
- Complete the Learning activities, including new in-depth videos, and real-life case studies to help reinforce concepts presented.
- Study flashcards to reinforce your memory of key terms, concepts and definitions.

3. PRACTICE

- Take the practice exam which was designed to help users gain experience with the format of the computer-based exam.
- Access additional information about the certification exam, study tools and test-taking tips.
- Access the "My Progress" section to track your quiz scores and learning gain.

How do I test?

The exam is a computer-based exam consisting of 150 multiple choice questions answered within 3.5 hours, and you receive your results immediately after completing the exam. With a passing score, you can start using your new CLTD credential immediately!
